Note to all team competitors

Enter the appropriate classes for your level on the appropriate forms from the prize list/show bill of the host show in order to compete at your requested level in Adult Team or Youth Team competitions. USEF rules apply at recognized shows. These rules allow the managers a variation of class options for teams. Read the prize list for each show. A team might be one level or mixed levels. The show management will decide on divisions after all entries are in. Additional information is available from the host show manager.
